

Positive Behavior Intervention and Support #5
May 12, 2011
Farmington

Outcomes

By the end of our day together success will look sound and feel like:

- A celebration of the progress our team has made implementing the Positive Behavioral Interventions and Supports model
- An opportunity to use a team self assessment
- Revisiting school wide screening
- An opportunity to set year two goals
- Confidence to apply specific strategies to your own school environments.
- Energized by working with your peers in a brain compatible environment.
